## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Edgewood Middle School had a very successful year in 2010-2011. We are extremely proud of the fact that our students, staff, and parents worked hard to meet the 2010 requirements for Annual Yearly Progress. We continued our focus on school-wide literacy by encouraging students to read 25 books annually. Teachers in all subject areas planned and implemented reading and writing activities that enriched the curriculum and focused on standards.

This past year all 8th graders took Algebra I as a foundational course in preparation for high school. Our 2010 passage rate was 96.9%. We are hoping to see gains in the spring 2011 PASS scores. Our 6th grade used a block scheduling program which allowed additional, uninterrupted math and English language arts classes. An additional math teacher helped reduce class sizes. Seventh and eighth grade schedules allowed for block English Language Arts. Additional Explore classes provided students with a variety of experiences while building on math and ELA fundamentals.

We continued our after school programs; Academic Enrichment, Honor's Chorus, EMS sports, and NSHS band. All were a success! We continue to use MAP testing to be a strong indicator of PASS performance. MAP data is extremely helpful in designing classroom instruction and meeting individual needs.

Our school climate improved with the implementation of PBIS (Positive Behavior Intervention and Support). Students focused on respect, manners, and safety. They were recognized throughout the year for demonstrating positive behaviors and improvements in these areas.

Our focus on career education continued with an increase in classroom speakers from the community. Guests shared how current job skills related to specific content areas. Our Career Day had over 25 local business and agency participants. All students participated in Job Shadow day by entering the work field and getting hands-on experience in various careers.

Edgewood feels strongly that students should give back to the community through service. In 2010-2011, students donated writing supplies to students overseas through the Piedmont Reading Council, sent necessary personal supplies to a local SC National Guard troop stationed overseas, donated to the Salvation Army and the Greenwood Humane Society, raised money for the American Red Cross, and made a donation to the Make-A-Wish foundation to name a few. Eighth grade ELA teachers and students partnered with the Greenwood Library to implement a literacy project.

Our staff attended many professional learning opportunities and several earned advanced degrees. Our PTO and SIC teams were a vital support to the staff. PTO held fundraisers that made many student and staff events possible while the SIC worked to build better communication between the school, parents and community. They also worked tirelessly on updating school renewal plans. We anticipate a great 2011-2012 and hope that you drop by to see learning in progress. Success is our only option!
